WELCOME

SYMPOSIUM AND ANNUAL GENERAL MEETING OF GOSA

**18 & 19 March 2015
BIRCHWOOD HOTEL, BOKSBURG**

You as a professional role player in the grain handling and related industries are welcomed to the GOSA Symposium and 32nd Annual General Meeting.

The main objective of GOSA is to serve the interests of the grain handling, processing and distribution industries through enhancement of individual professionalism and to promote safe, effective and economical performance within the industry.

GOSA is furthermore a committed organisation that provides forums for its members to improve leadership, innovation and excellence in the grain related industries.

The symposium promises to be enriching and interesting, not only for the persons in the grain industry, but also for their companions.

Enjoy this special event!
